SUPPLEMENT TO
REPORT NO.

1. Alfred Rhode, SED Chairman for the Schoenberg District, stated on 30 June 1950, that a large "peace" demonstration is planned for West Berlin on 9 July 1950.
2. Ten thousand picked SED members, mostly from East Berlin, assigned on the basis of approximately one thousand to each West Berlin borough, will collect signatures to the petition for outlawing the atomic bomb and will start political conversations with West Berliners, depicting the U.S. as a war-monger not only in Korea but in Germany.
3. The action itself is to be advertised intensively in the week preceding July 9, and signatures will be collected openly in the face of West Berlin police, in order to force mass arrests.
